Create a news post

Keep your audience engaged by sharing your latest updates.

Keep your team updated with news on your team site

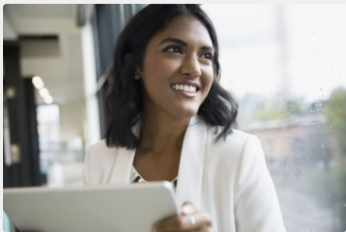

From the site home page you'll be able to quickly author a news post - a status update, trip report, or even just highlight a document with some additional context...

What is a team site?

A SharePoint team site connects you and your team to the content, information, and apps you rely on every day. For example, you can use a team site to store and collaborate...

Add a page to a site

Using pages is a great way to share ideas using images, Excel, Word and PowerPoint documents, video, and more. You can create and publish pages quickly and easily, and...

Meet the course instructor [Sample content]

Hi, my name is Megan Bowen. I am excited to be teaching this course again for the 5th year in a row! Teaching is my passion because I love watching others learn and grow. I am looking forward to meeting you soon.
